THE SMALL PRINT...

- Your date is secured by payment of a deposit, which is 50% of the minimum spend. We will ask for the balance of the minimum spend three months before the date. Any outstanding costs will be settled two weeks before, once the guest list has been finalised.

If choosing wine on consumption, we will require a credit card to process payment on the night.

- Due to past damage to our grounds, we no longer allow marquees to be set up, sorry.
- Our Restaurant does have a very individual look. We can only offer the furniture that we use each day so you may need to plan your seating chart around which guests get the wingback armchairs.
- Our team will happily set your table as required, laying out table centrepieces, flowers, name cards, menus and guest bonbonnières. These need to be supplied the day prior to the wedding. Personal items can be collected the following day. If you use a florist or event stylist, we are happy to liaise directly on set-up requirements and times.

- Arrangements with a band or DJ are between you and the performer. For dinner functions, band set up time is between 4pm and 6pm. If you would like to use an iPod or similar, you will need to bring a suitable PA system.

- We can supply a wireless microphone for speeches.

- We hold a Producer's Licence so we can only sell the alcohol we produce. Nevertheless, in order to accommodate your guests' preferences you are most welcome to bring your own beer and cider to be served. Conditions do apply.

- Our House Policy does not allow for the service of spirits, so sorry, spirits can't be consumed anywhere on our property.

Further details are provided in our Terms and Conditions.
